

from house to home

Discover the potential that your home holds
to positively influence your life

Do you feel something's "not quite right" or out of balance about your home?
Do you wish your home was more satisfying to you?
Is your home a source of comfort, joy, and harmony?
Is your home contributing to your emotional and physical health?
Does your home feel meaningful to you?

Seldom is home looked at as a totality including beauty and balance, creativity and collaboration, money and meaning. When we understand home in all its dimensions, its power to improve our lives is unleashed.

Saturday, March 24, 2012

8:30 a.m. to 12:30 p.m.

Normandale Community College • Room: A2564/A2566

Meet your Presenters:

Carole Hyder, MA, is a Feng Shui expert, having studied Feng Shui since 1992. She is the author of three books on the topic, the founder and lead faculty of the Wind & Water School of Feng Shui, and has a monthly Feng Shui segment on the NBC affiliate's Showcase Minnesota (KARE-11 TV). She received her Masters in East Asian Studies from the University of MN in 2006 and continues to teach and train on the topic of Feng Shui. For more information, go to www.conversationswithyourhome.com.

Margaret Lulic, MA, is a consulting philosopher, award winning author, speaker and coach. She is passionate about guiding people to experience their deeper wisdom and achieve their greatest potential. Her latest book, *Home – Inspired by Love and Beauty*, explores how your home can be an inspiring friend and partner in creating a meaningful good life. For more information go to www.lulicbooks.com

Dr. Alex Lanning is a holistic health provider. He offers a balance of chiropractic, homeopathic, nutritional, and lifestyle solutions. He is a graduate of Northwestern Academy of Homeopathy and earned his Doctor of Chiropractic degree from Northwestern Health Sciences University. From his clinic in Minneapolis, he seeks to identify root causes of chronic health challenges using innovative and thoughtful methodologies. He is a firm believer in the power of color and space to affect well-being. His own home, girlfriend, and three dogs bring him health and happiness.

Michaela Mahady, AIA, is an architect and an artist. She is a principal in the firm SALA Architects Inc. She has designed homes and art for public spaces throughout the United States. Her recent book, *Welcoming Home*, focuses on the relationship between our homes, our bodies, and our spirits. Her architecture and artwork have been featured on PBS and HGTV, and published in books including *The Not So Big House* and *The New Family Home*, and magazines such as *Fine Homebuilding*, *Life Magazine*,

Cottage Living, and *American Craft*. For more information, go to www.salaarc.com, and www.pegasusstudioinc.com.
