Are you constrained by your finances?

Are you tired of just “getting by?”

When you start to get ahead, do you experience nothing but setbacks?

Do you struggle with feelings of unworthiness?

Has life lost its fun?

Do you spend your money or energy in careless ways, so much so, you feel embarrassed?

Do you rotate between feeling deprived and desperately seeking security?

Is your closet full of second-hand items?

Are you starting to feel like you are living a second-hand life?
